My name is Nathan Brown, I am a local farmer in the Shire of Jerramungup. Having grown up in the Shire I have over many years enjoyed what the local area has had to offer professionally and socially. I now feel that the time is right for me to give back to the community by offering my time and any expertise and knowledge I have to the council, to ensure that future generations have the same opportunities as I have had. My community involvement has extended to many years on the FBG committee including a number as Chairman. I have also sat as a committee member of the JFC including three as chairman, along with being involved with many other community events and groups eg; Dancing in the Dirt and DFES. In my past roles I have engaged with community, business, and local government giving me a small insight into what is involved if elected to council
