Dear Craig

APPLICATION FOR PLANNING APPROVAL

I refer to the requirement for additional staff accommodation and amenities at the Gairdner grain receival site.

Please find attached an application for planning approval and I request an invoice for the fee.

The development adjoins the staff accommodation and includes removing an existing bunkhouse, installing two accommodation and an amenities buildings with verandahs, verandah on existing accommodation building, new and decommissioning existing septic systems.

The staff accommodation installed in 1998 accommodates up to 11 and the proposed up to 8 persons.

The development enables staff accommodation to be renovated or demolished and ensures availability during grain receival and out loading and maintenance activities.

Prompt assessment, communication of any issues and determination of the application would be appreciated.

Once available, please email the notice of determination and a set of approved drawings to Tim Dolling at tim.dolling@cbh.com.au.
