Dear Brent,

The Management Committee of the Bremer Bay Sports Club have again been approached by Megatime Pty Ltd to support their application for a sub-lease of approximately 15 metres square of the Sports Club Reserve.

Megatime and the Management Committee of the Bremer Bay Sports Club originally negotiated an agreement for this sub lease in June 2013. This was denied by Council at their meeting held in August 2013.

We now respectfully request that Council reconsider any application by Megatime Pty Ltd to sub lease this land from the Sports Club. This application has our full support

Yours sincerely

Hon Secretary
