Hi Brent and Charmaine,

I have attached our request for lease, Draft JDMC Constitution, Draft JDMC Risk Management Plan and Draft JDMC Risk Matrix.

These documents cover all the information as requested, but you will note they are in Draft form. We have done as much as we can by imagining the risks etc that we may face, but until we begin operation these documents can not be finalized.

I am happy to come and speak to anyone that would like individual concerns addressed and obtain the information as required but I think it is all covered in the attached.

Hope this will make it in time for this month. We are looking forward to being affiliated this month with Motorcycling WA when the board sits next week.

Kind Regards
Claire Teale
