2. AUDIT SCOPE

Lincolns conducted an independent audit on behalf of the Office of the Auditor General (OAG) in order to enable the Auditor General to express an opinion to the Council on the financial report of Shire of Jerramungup for the year ended 30 June 2020. Our audit was conducted in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We perform procedures to assess whether in all material respects the financial report presents fairly, in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations), the Local Government Act 1995 and the Local Government (Financial Management) Regulations 1996, a view which is consistent with our understanding of the Shire of Jerramungup's financial position and of its performance as represented by the results of its operations, changes in equity and cash flows.

Our audit procedures included;

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- evaluating the appropriateness of accounting policies and disclosures used, the reasonableness of accounting estimates

We considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures.

An audit is not designed to identify all matters that may be relevant to the accountable authority and management, nor to relieve management or those in charge of governance of their responsibilities. Accordingly, this report includes only those significant matters that have come to our attention as a result of performing our audit.
