Subject: Funding For Brock

Dear Brent,

Please find attached a copy of Brock's confirmation of acceptance into the tennis Regional Talent Development (RTD) Program which requires travel to Darwin. In accordance with Council's finance policy #4 I would like to request a travel and accommodation subsidy to assist in the costs of sending Brock on this National Event held outside of Western Australia.

The table below addresses each criteria under the policy limitations.

Applicants must be a resident of the Shire of Jerramungup.	Brock is a current resident in Bremer Bay.
Funding will only be considered after all other funding opportunities have been exhausted e.g. State and Federal Government funding.	Funding has been pursued through the Department of Sport and Recreation and Tennis West. The program is already sponsored by these bodies and accordingly there is no further sponsorship available.
Funding will only be provided for up to 50% of travel and accommodation costs to a maximum of \$500.	The total cost of the program is \$1,000. This subsidy request is for \$500.
The travel/accommodation subsidy donation is only available to participants. Coaches, support staff and chaperones are not eligible to apply for funding.	The subsidy request is to for Brock's participation in the program only.
Selected representatives are entitled to one subsidy donation per activity in any one financial year.	This is the only subsidy application made this financial year.

In addition I acknowledge that if Brock does not participate in the program the subsidy funds will need to be repaid to the Shire.

I hope Council looks on this application favourably.

Regards
Drew Dawson

The following is the Tennis Australia offer.

Hi Brock,

Tennis West, with the support of the Department of Sport & Recreation, offer athletes living in Regional WA the opportunity to participate in the Regional Talent Development (RTD) Program. The objectives of this program are to;

1. Develop regional players
2. Provide greater opportunities for creating long term player development

The 2016-2017 RTD Program offers a subsidised interstate tour for athletes living in regional WA, who reached the quarterfinals of the 2016 Women in Tennis Foundation & D'Arcy Slater Cup or better, and are born between 2003 - 2005.

Your performance at this event has earned you an invitation to travel with other athletes and team managers (Paul Oldfield & Brooke Koenig, Tennis West) on a subsidised interstate tour.

Tour Details

The 2017 Interstate Tour will be in Darwin with athletes competing in two AR tournaments; SKYCITY Darwin Open (Bronze) and 91stSKYCITY NT Open Championships (Silver) from the 1st June – 13th June, 2017.

Tour costings per athlete will be approximately \$1000 for the 11 days (subject to change).

Please advise if you would like to accept your place on this tour no later than 24th March.

This tour includes athletes and team managers only and not for parents to travel. The tour is designed to educate the athletes about life on tour, and includes the development of life skills. The delivery of this tour and the engagement of the athletes is restricted with parents travelling.

Any further queries please don't hesitate to contact me on 6462 8318 or poldfield@tennis.com.au

Kind Regards,
Paul
