Re: Outright purchase of Toyota Landcruiser

To whom it may concern,

With reference to some of the selection criteria points;

1. Offer is genuine & money is pre-approved from NAB.
2. We will pick the vehicle up from Jerramungup if need be or from the Department of Transport's office in Albany. Either way is fine with us.
3. Payment method can be either a bank cheque or direct deposit from NAB in Albany.

Any questions, please feel free to call me on 0428 936 325.

Thank you.

Kind regards,

Michael Cramer
