

## **SHIRE OF JERRAMUNGUP LOCAL PLANNING POLICY NO 20 HOLIDAY HOMES**

### **1.0 BACKGROUND**

Holiday homes are private residential dwellings that are leased out for short term accommodation for a period not exceeding three (3) months. Holiday homes and have long been an important part of local and Western Australian lifestyle and culture.

The informal development of this section of the tourist accommodation market has meant that holiday homes have so far operated with minimal regulation, resulting in an uncertain legal and insurance environment, issues of fire safety and increased potential for land use conflict. Community concerns about holiday homes often relate to the behaviour of tenants, rather than being associated with the use per se. In addition there has been concern that some holiday homes are not maintained to a satisfactory standard, which in turn reflects negatively on the Shire's tourism industry.

The Western Australian Planning Commission (WAPC) has prepared Planning Bulletin 99 - 'Holiday Homes Guidelines' that sets out the WAPC's position in relation to the planning and regulation of holiday homes in Western Australia. The bulletin provides guidance to local governments when dealing with issues associated with holiday homes in the local government planning framework. This policy is consistent with the recommendations of this Bulletin.

The Shire of Jerramungup Local Planning Scheme No.2 (the Scheme) does not list 'holiday home' as a specific use class or defines 'holiday home'. Council has determined that the land use 'holiday home' shall be treated as a 'Use Not Listed' and considered in the 'Residential', 'Rural Residential', 'Rural', and 'Townsite' zones subject to advertising for public comment prior to a determination of an application.

## **2.0 STATUTORY BASIS**

Clauses 2.2 and 2.4 of the Shire of Jerramungup Town Planning Scheme No. 2 ('the Scheme') provides for the preparation of Local Planning Policies. This Policy has been prepared in accordance with the Scheme.
