

CEO Mr W. Parker
Shire of Jerramungup
PO Box 92
Jerramungup WA 6337

13th Feb. 2012

Dear Bill,

We are pleased to inform the Shire that we have been successful in our application for funds from the Foundation for Rural and Regional Renewal. Our application details are with your office and our application No. is 17532. In this application we asked for \$5000 but unfortunately we were awarded \$3000.

The Gairdner Progress Association wish to apply for \$7,850.00, \$2000.00 more than budgeted thanks to the funding shortfall. It's critical that this request is actioned to take advantage of the tradesmen availability and the many volunteer contributions before we are all busy with seeding. So we are asking the shire to make special consideration for early funds to a keen group that wish to upgrade our Shire hall.

If you have any further questions please don't hesitate to speak to our President Michael Nelson on 98 371035

Yours sincerely

Therese Bell
Secretary Gairdner Progress Association.
