Dear Richard,

Re: Request to Relocate General Store and Purchase Freehold Land in the Commercial Area – Bremer Bay, WA - Reserve 51778 - Town Centre

As per our discussion today, I am writing to formally request the opportunity to relocate our existing General Store to more suitable land within the commercial precinct in Bremer Bay, being Reserve 51778 - Town Centre – 3492.589 m². As the owner of a business that has served the local community for many years, I am eager to position the store in a location that better supports both operational needs and customer accessibility.

This relocation would not only allow the General Store to continue providing essential goods and services to residents and visitors, but would also contribute to the ongoing growth and vitality of Bremer Bay's commercial district. I am committed to working closely with the Shire to ensure that this transition aligns with your vision for sustainable development in the region.

Thank you for considering my request. I look forward to your guidance and to continuing to serve the Bremer Bay community from a new and improved location.

Yours sincerely,

Narelle Wessling
