**Proposal to purchase Lot 2 Muir Highway,  
Needilup.**

**Attention Noel Myers- We would like to put a proposal towards the shire of Jerramungup as regards of purchasing the land at the above property- as you are aware we have recently purchased the Needilup Hall and have spoken to you regards to our future plans for the property.**

**We have recently expressed our interest to Department of Planning, Lands and Heritage and filled in the paperwork for the block next-door we would like to purchase. We have received an email and phone call 16/3/2021 from Alexander John- he has requested that we write to the Shire of Jerramungup to Formally put a proposal to you in regards of what the shire intend to do with Lot 2 and to let you know what our future plans if we where to purchase the land.**

**Future plans for the Lot 2 Muir Highway,**

**Water tank to be placed on Lot 2 block as our boundary fence on the western side is extremely close to the building on Lot 1 and no room for a large water tank. (water is an issue and we do have contain our own water)**

**Fence the area (which is a safety issue of damage and theft) after the restoration of the Needilup Hall.**

**The property will be fully landscaped with shrubs and trees and will be well cared for as the properties will represent the Needilup town.**

**Combine the Lot 1 and Lot 2 as one block.**

**Please let us know.**

**Kind Regards**
