Dear Shire Councilors

I am writing on behalf of myself and my husband Nathan Brown to seek your support for Andrew Twine to set up an aeroplane hanger and associated infrastructure on our property - Kent Location 1273 which abuts the Jerramungup airstrip.

We feel that the inclusion of such a business within our community will enhance the farming activities for the agricultural farmers in the area and wider region, as well as add another revenue and employment stream to our community.

We are happy to support the application that Andrew is submitting to the Shire of Jerramungup, and hope that it will be given approval.

If you have any further queries in relation to this, please do not hesitate to contact myself or Nathan Brown

Kind Regards
