

Community Survey

Bremer Bay is a growing community with a unique character.

We're planning ahead to cater to the needs of locals and visitors. The Shire is undertaking planning and feasibility to locate key community and cultural services in a new building on Seadragon Avenue, next to the Civic Square / Skatepark.

This could be a hub for local services, as well as a place to enjoy activities, entertainment and celebrate what's special about Bremer Bay.

If you live, work or play in Bremer Bay we want you to help shape this planning. This survey is open until **Monday 4 August 2025**.

Your input will be reviewed by the team at BlueSalt Consulting and used to inform planning for this space. An engagement report will be produced but no personal information will be shared.

YOUR RESPONSES

In the past 12 months have you used or attended an event or activity in any of these buildings / spaces? If so, how well did it cater to your needs? Please tick one per relevant line

	Poor (tick)	Average (tick)	Excellent (tick)

Thinking about community and service buildings in Bremer Bay - how well do you think they cater to people of different ages and with a range of different needs?

If you haven't used any facilities, can you tell us why? (e.g. types of services/programs, day/time clash, not interested)

Is anything missing in Bremer Bay currently? e.g. are there any services, events or activities that can't be accommodated in existing buildings?

To help with prioritising, please rank how important these design aspects for the proposed building are to you.

Place one number next to each aspect: 1 = Not at all important, 2 = Moderately important, 3 = Essential
